

5 December 1985

MEMORANDUM FOR: Maureen V. Wingfield (C)

FROM:

[REDACTED]
Chief, Policy and Plans Group
Chairman, PerSSub Committee

SUBJECT: DCID 1/14 Revisions

1. At its meeting on 7 August 1985, PerSSub members agreed to recommend to SECOM some changes to the Sexual Considerations section of Annex A of DCID 1/14. One of the changes added the phrase "immoral or notoriously sexual conduct." This addition was specifically recommended by NSA Security and General Counsel personnel following a recent legal case involving prostitution. The NSA General Counsel believed the wording would prove beneficial in future cases involving sexual considerations.

2. Today I advised the NSA PerSSub representative of [REDACTED] objection. After checking with NSA OGC representatives, she called back to advise that they now recommend that the phrase "immoral or notorious sexual conduct" be deleted.

3. I recommend that the OS response simply cite [REDACTED] response and recommend the deletion of the offending phrase. NSA will presumably do the same.
